RESEARCH: THE PRINTED WORD

The *Minnesota Foundation Directory*[™] includes *every foundation* registered in the State and on file with the IRS.

Currently over 1,800 foundations are listed in the Directory. The *Minnesota Foundation Directory*[™] includes:

Full Reports on Major Minnesota Foundations:

- Financial Information (Assets, Income & Gifts).
- Type of Foundation (Private, Corporate, Community).
- Areas of Interest (Arts, Education, Religion, etc.).
- Geographic Range, or Limitations.
- Substantial Contributors and Foundation Managers.
- Does the foundation make Capital, Program, Matching, or Operating grants?
- Complete Gift List (detailing *every single gift*: recipient, state, grant amount and purpose of gift).

Summary Report of Smaller Minnesota Foundations: Name, Address, Telephone, Fax, Contact Person & Financial Information (Assets, Income & Gifts).

Multiple Tables Make Researching a Snap:

- **Foundation Interests.**
- **Substantial Contributors & Foundation Managers.**
- **Banks & Trust Companies as Trustees**

RESEARCH: ANNUAL SEMINARS

For over 30 years, Bea Capriotti and the Foundation Data Center have conducted annual fundraising seminars (discounted for *Minnesota Foundation Directory*[™] subscribers) for Minnesota's grantseeking professionals.

Bea's extensive background in the grantseeking field allows her to present invaluable information to attendees from the perspective of a **researcher and fundraiser.**

Subscription to the *Minnesota Foundation Directory Update Service*sm allows access to *MFD ONLINE!*^{!sm}. (MNCN Members get special pricing for web-only access.)

This **password-protected website** is *updated regularly throughout the year*, enabling researchers to keep abreast of the most current data - obtained directly from the IRS.

We are committed to providing our subscribers with the most thorough and **user-friendly high-speed searchable databases** on the Web. These **three unparalleled databases** (*grantmakers, gifts and managers/major donors*) have recently been restructured to increase our ability to provide you with the ultimate resource, giving you access to the most timely information in a more efficient manner.

The *MFD ONLINE!*^{!sm} Full Report page includes the same information contained in the printed *Directory*, plus:

- 'Live' **hyperlinks** (for foundations which have websites/e-mail) that will take you directly to their website, or open your e-mail dialog box.
- A '**printer friendly**' report page, in addition to the easy to view report page.

RESEARCH: HAVE EXPERIENCED RESEARCHERS ON YOUR TEAM

The *Minnesota Foundation Directory*[™] has earned a reputation as the most useful tool available to fundraisers, primarily because our key researcher and Editor-In-Chief is Bea Capriotti, CFRE.

In 1973, one year after originating the *Minnesota Foundation Directory*[™], Capriotti achieved CFRE Certification from the National Society of Fund Raising Executives (NSFRE/AFP). In 1991 she was recognized by the Minnesota Chapter of NSFRE as Minnesota's "Outstanding Professional Fundraiser of the Year". Capriotti is a past president of the Minnesota Chapter of NSFRE/AFP.
